BRAND NEW PRODUCTS - on sale at TORRSCO!

Carlin® EZGas Pro 48 Frame M Flange 120 VAC 3450 rpm Multi-Fit Burner

- Converts existing oil-fired boilers, furnaces and water heaters to natural gas or propane at a fraction of the cost of replacing the appliance
- Factory packed with combustion control and gas fuel train
- Does not require a refractory liner, fires with or without a combustion chamber
- Ideal for pin-style, steel, three-pass boilers, warm air furnaces, direct-fired water heaters
- Faster, easier and more cost effective than replacing the heating appliance

Beckett CG4 Gas Burner

Technically advanced components meet increased demand for improved gas burner performance in high-efficiency appliances and modern well-insulated homes. Performance-enhancing combustion technology utilizing proven fixed-head burner design.

- 24volt standard Gas Valve
- New Beckett Gas Igniter
- Removable Gun Assembly

Beckett
