#### NOTES:

CNG/SCG Natural Gas Conversion Matching incentive is available only to CNG/SCG customers converting from an existing electric, propane or home heating oil to natural gas. Customer must register their purchase on separate websites - see next page.

Rebates do not include taxes or installation charges. Only Bosch or Buderus qualifying equipment on the invoice will be eligible for rebate.

\*Combi boiler combines space heating and tankless water heating in one unit. Greenstar wall-mounted or floor-mounted boilers are eligible.

\*\*Energize CT models: Instant distributor rebates now available. Participating HVAC and plumbing wholesale equipment distributors can now automatically apply the Energize CT rebate to the price they charge the installation contractor purchasing qualified equipment.

No mail-in rebate exists.
