# Navien Rewards™

For Navien ALL-STAR PROS only

“We are very proud of our Navien high quality condensing boilers, combi-boilers and tankless water heaters. We also know how important you, the professional contractors, are as our partner in every installation. Our new NavienRewards program demonstrates how much we appreciate your loyalty and expertise. Join us today and see how your hard work can turn into great perks.”

**Scott Lee, President/CEO Navien Inc.**

## No detours around contractors

Unlike other brands, Navien won't take shortcuts with alternate distribution channels. NavienRewards not only gives you the resources that drive more profitable sales, it also provides incentives for you and your team. No other manufacturer can match our contractor support.

# Join and win a trip

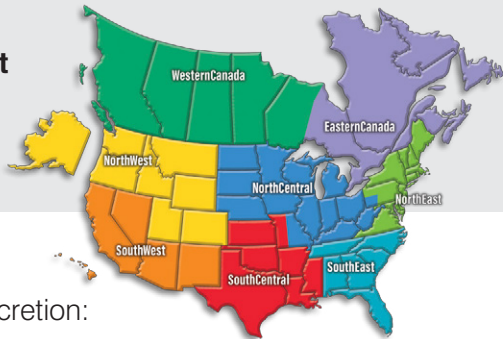

Check out all the benefits of the NavienRewards program and see how you could win a once-in-a-lifetime South Korean Getaway in February, 2018.

Registered participants of the NavienRewards program are eligible to WIN a 7-day all-expense paid trip for 2 to South Korea that will include:

- **A cultural experience of a lifetime in this fascinating country**
- **A factory tour of the largest single boiler producing facility in the world**
- **2 Days at the Winter Olympics**
- **A stop at the DMZ**

**One ALL-STAR PRO and a guest  
will be chosen from each of  
Navien's eight sales regions.**

Trip winners will be chosen on the following criteria — at Navien's discretion:

**Total unit sales in 2017  
(January–November)  
registered through the  
NavienRewards program**

**Photos and story description of  
one or more residential and/or  
commercial installations, based  
on the following applications:**

- NPE, before/after, tank to tankless
- NCB-E, before/after, boiler to NCB-E
- NHB, before/after, floor standing to NHB wall-hung
- Commercial installation using the new Ready-Link-Rack system including RLR manifolds
- Other interesting installation situations where Navien products solved a problem
